::

Amy,

Please find attached the 2013 Monitoring Network Plan and the public comments that were received during the public inspection period. No changes to the plan have been made as a result of the public comments. The hard copy of this plan is being mailed to the EPA Regional Administrator. To save paper we are only distributing the electronic copies to you and Robert Nichols for your internal distribution. Let me know if you have any questions.

Stephen M. Hall

Monitoring Unit Chief

Air Pollution Control Program

Missouri Department of Natural Resources
